Our message to babies this month: "I am so glad God has a plan for you. I cannot wait for you to see it as you grow up."

TODDLER AND PRESCHOOL

Preschoolers will learn that people are God's works of art. Through the story of Joseph, they will learn that God has a plan for all of us because He made us and loves us. We want them to know that God's plan is always best.

ELEMENTARY (K-5TH GRADE)

Like a computer, we have a "source code" from God that's built on honesty and integrity for how we are interact with others. But when we're not truthful, it's like one of our programming characters is out of place. The source code loses its integrity and the site crashes. This month's theme is "Untangle the Web." We're taking the kids on a "coding adventure," where they'll earn the importance of honesty and integrity in all that they say and do.

SUMMER JAM DONATIONS NEEDED
