## The Gospel & Pentecost

### SMALL GROUP QUESTIONS

Describe a risk you've taken in your life. It can have a positive outcome but doesn't have to.

What, if anything, was new information for you in this video? How were you encouraged or unsettled or comforted or challenged by the lives of these first followers of Jesus and the events recorded in Acts 1-2? What questions do you have?

Before Jesus ascended to heaven, He instructed His disciples to do something risky. He told them to stay in a dangerous place (Jerusalem) and wait for the Gift of the Holy Spirit. What do you think it was like for the first disciples to have to wait in the danger zone? What do you do when you find yourself in danger?

## Small Group Prayer Requests

---

To help you pray for one another during the week, please take notes on the requests that are shared. Please remember that everything people talk about in your group is confidential.

What do you think began to change for them once they received the Holy Spirit? Why was that so?

What do you think God might have been up to when He gave these first disciples the ability to speak in other languages? What good news was God announcing to the world when He did that?

If you are a follower of Jesus, how would you describe some of the experiences you've had with the Holy Spirit? Who do you understand the Holy Spirit to be?

How might you share the good news of the gospel of Jesus this week in your spheres of influence? What obstacles might you need to face? What risks could be necessary?

Share prayer requests and pray for one another.
